THE COMMUNITY'S FOUNDATION

August 2018

Dear Student:

Thank you for your interest in The Community's Foundation ("TCF") scholarship program. TCF Scholarships are awarded to selected individuals who are interested in pursuing an undergraduate degree and: 1) will major in a human health profession; 2) live in the TCF Service Area; and 3) upon graduation, intend to perform work that will enhance the quality of life for persons in the TCF Service Area.

TCF Service Area

Collingdale Borough	Prospect Park Borough
Darby Township	Ridley Township
Eddystone Borough	Ridley Park Borough
Folcroft Borough	Rose Valley Borough
Glenolden Borough	Rutledge Borough
Morton Borough	Sharon Hill Borough
Nether Providence Borough	Springfield Township
Norwood Borough	Swarthmore Borough
Tinicum Township	

TCF Scholar awards are highly competitive. Our Scholarship Committee labors over the annual selection process like no other – sixteen people become immersed in the essays, the GPAs, the SAT scores, the activities, the accomplishments, the interview skills and personalities of our applicants. Each member of the committee agonizes over the responsibility, and our Board of Directors ensures that impartiality is a clear mandate. Each year, we must decline many quality applicants for scholarships and grants for the simple and compelling reason that our funds are limited while requests for support are not.

The completed application forms are due at The Community's Foundation office, 900 West Sproul Road, Suite 101, Springfield, PA 19064, by Friday, November 9, 2018. Applications may also be submitted via electronic mail to info@TCFhelps.org.

Requirements: The application form has three (3) parts.

Part A Contact, college, and activity information to be completed by the student.

Part B The requirement for transcripts, SAT and/or ACT scores, and **no more than two** recommendations most relevant to your future as an allied health professional.

Part C An essay written by the student which answers the following question:

Evaluate a significant experience, achievement, risk you have taken, or ethical dilemma you have faced and its impact on you. Describe how your topic has influenced your decision to pursue an undergraduate curriculum in the allied health field.

Essays should be no more than two pages and will be scored based on content, mechanics, style, and originality.

Timeline:

- Applications will be accepted September 1, 2018 through November 9, 2018.
- Selected students may be scheduled for an interview based upon their scores on Parts A, B, and C. Interviews will likely be conducted in December 2018 and January 2019.
- Announcement of scholarship recipients is expected to be made during February 2019.
- Initial scholarship payments are made to the college/university after June 30, 2019 for the 2019-2020 academic year.

If you have any questions concerning the application process, please contact the TCF office at 610-461-6571 or info@TCFhelps.org.
