

THE COMMUNITY'S FOUNDATION

Application for Status as a "TCF Eligible Organization"

The Applicant is directed to The Community's Foundation ("TCF") Grant Guidelines for a detailed description of TCF grant making operations.

Applying for a grant from The Community's Foundation is a two-step process. First, the applicant must obtain status as a "TCF Eligible Organization". The Applicant then may apply for a grant utilizing the "TCF Community Service Grant Application" or via a self-designed application that provides TCF with similar key information.

After review of this Application for Status as a TCF Eligible Organization, board committees may approve an organization's eligibility for a TCF grant by designating the entity as a "TCF Eligible Organization". Once approved, a TCF Eligible Organization will be qualified to apply for direct funding from The Community's Foundation on a case-by-case basis, or via donor advised funding based on the preference of TCF contributors to donor advised funds.
